President's Message

We have now completed our spring season. In spite of a few rain outs, course aerations and construction, the course is in good playing condition. Even the number of geese has gone down. Reports are there will be another round up and removal of the remaining flock shortly.

Our spring trip to Shawnee went off smoothly, thanks to the organizing committee of Tony Yacovone and Angelo DiFilippi.

Tony Rivera was Chairman of the Spring Tournament which was two man teams playing Best Ball. (See the results elsewhere in this newsletter). Pairings were done by our computer whiz, Frank Simone.

Our membership committee has accepted 10 new members. All the screening, processing and evaluations were done by Frank Savarese who deserves special thanks for his efforts.

Shawnee will replace Hudson Valley as the venue for our week long trip. Joe DiMaggio has been working to make this an exceptional week of fun and companionship. All attendees will have a memorable trip.

All the committees listed in the newsletter can use help and volunteers. Contact the chairmen listed for more information.

TOM COWHEY, PRESIDENT

Shawnee Outing Plays to the Early Bird

Much to everyone's surprise when arriving at the Clearview Golf Course parking lot for an eight AM departure only to find the bus waiting for us. When has that ever happened? Thanks to co-chairmen Angelo DiFilippi and Tony Yacovone moving up our Tee Time at Shawnee to 11:00 AM it paved the way for an early departure and to arrive back home before it was dark.

Breakfast was waiting on

arrival and it gave us enough time to chow down and get some valuable practice time on the putting green.

We played the Red and Blue courses even though the ruff could have used some cutting. The tee boxes, fairways and greens more than made up for it, as they were in great shape. But the one challenge that was most talked about was shooting

over the Delaware River on the Par Three Holes: Red 2 and

Blue 7. Too many of us did not use enough club and a lot of golf balls got wet. It is time to face reality and play to our age and go up a club or two.

The day could not have ended any better—D I N N E R—the cold beer, the wine, the delicious food and the desserts where out of this world.

The committee did a great job with the raffle prizes and the 50/50, listed below are our tournament winners.

Spring Tournament Caught In A Tie

Spring Tournament took place on Wednesday, June 15th, it was a Two Man Low Net team event with Jim Akin and Joe Bass tied with Howard Coval and Jim Milgrew for first place net 135. Jim Aiken had the hot hand for his team with an 83 (net 59) and Joe Bass scored 100 (net 76). Joe Bass seems to rise to the occasion in this tournament being on the first place team two years in a row. Howard Coval played his steady short game and scored 87 (net 69) but it was new comer Jim Milgrew scoring 100 (net 66) to nail down the first a place tie. The second place team was three strokes off with a net 138.

For the second year in a row Brendan Donnelly 92 (net 68) takes the second place prize with team mate Leroy Wade 98 (net 70). Third place goes to team Keon Chu and Sam Ioannucci net 139. Keon finished strong with an 85 (net 68) and Sam with a 106 (net 71) but one stroke short of second place. This Tony Rivera second year as chairman of the tournament and he is showing that he is a real pro in handling this annual event, another great job great job. Honorable mention goes out to Frank Simone, Joe Salvato, Bill Doyle and the tournament committee who once again came through big time

Gold Humor

A duffer hits a wicked slice off the tee that ricocheted through the trees and onto the next fairway, narrowly missing another golfer.

When he got to his ball, he was greeted by an unintentional target, who angrily told him of the near miss.

"I'm very sorry" the errant golf said, "I didn't have time to holler fore".

"That's funny" the man replied, "you had plenty of time to holler SHIT".
