President's Message

Hudson Valley again proved to be another fun week. Monday started out with an all day rain. But the rest of

the week we were blessed with beautiful weather. I hope the photos on the right will serve as a pictured story of the events for the week and from what I can see everyone had a smile on their face. I like to welcome back all the invited guests and it was nice to have some of the golfers from the WinG ladies club with us this year.

The league play became very exciting again this year especially in the A Flight where there was an eight place tie between Joe Salvato and Keon Chu with Keon draining a forty foot putt on the eighteen hole to nail the victory and the eight place seed for the match play championship. There were other ties that required a run off in order that they would be seeded in the playoff brackets.

While the match play championship and the club tournament is in progress, please be aware that October is a very busy month.

1. Our annual general membership meeting is Tuesday October 2nd. Once again I asked John Gomilas to head a Nominating Committee (which will present a slate
